40 meters from the South Gate administrative office.

TIMING AND OBSERVATIONS:

At approximately 9:00 PM (21:00 hrs), while conducting my routine perimeter round,
I heard loud shouting and sounds of glass breaking coming from the supervisor's cabin.
I immediately ran towards the office. As I approached, I saw two men in dark jackets
running out of the back exit towards the service lane.

STATEMENT DETAILS (CONTINUED):

I found supervisor Ramesh Patel sitting on the floor holding his injured left arm.
He told me that Arthur had attacked him.

REGARDING SURVEILLANCE RECORDINGS:

The following morning on 13-August-2026, the facility security manager and the investigating officer reviewed the CCTV footage on the security room terminal. I saw the footage playing on the screen showing two men entering the premises. However, I did not see the police officers detach the digital video recorder (DVR) or download any official video copy onto a secure drive. I do not know whether the actual video file or DVR was taken into official custody.

Regarding the alleged cash theft of Rs. 1,50,000, I did not see either suspect carrying any bag or cash box when they fled.
